M & A HOME TEXTILES

## INTRODUCTION

In the case of individual orders, **our customers can choose from a wide selection of high-quality, durable materials in different colors.**

Among our fabric materials, we also offer **materials that are excellently suitable for both indoor and outdoor use** (UV-water-sea salt water-chlorine-resistant, highly durable textile leather with an anti-mold coating).

You can choose according to your taste, **from more elegant, velvety materials to natural cotton and textile leather.**
