INTRODUCTION

In the case of individual orders, our customers can choose from **our wide range of German-made, high-quality, long-lasting embroidery threads.**

Threads made of **100% polyester fiber** are available in **all colors of the rainbow**, our catalog includes the **trendiest and most popular colors.**

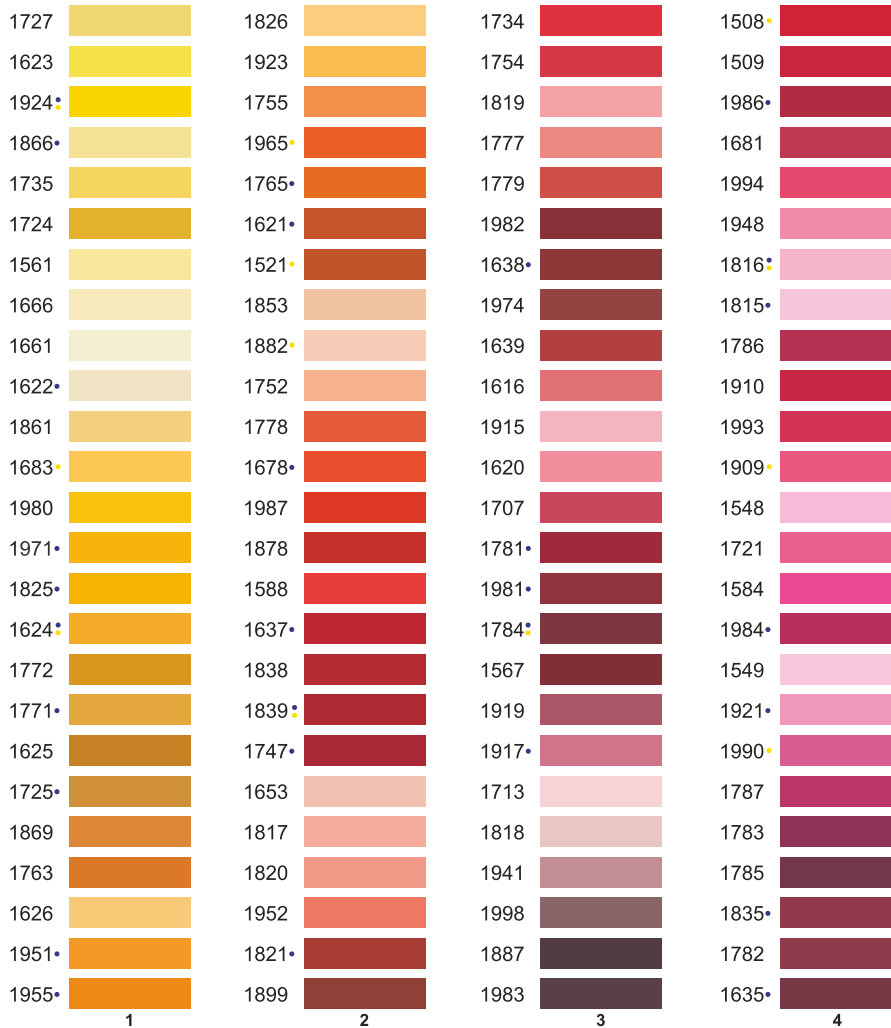

Due to their **high durability**, they have a long service life.

They are **easy to clean**; hand and machine washable at a maximum of 95 degrees, can be bleached if necessary (max. 20 g/l active chlorine, max. at 30 degrees, for 30 minutes), normal drying possible at a low temperature, ironable at a maximum of 150 degrees, gently dry-cleaned.

They **do not lose their color at all** as a result of washing.

Our embroidery patterns created from threads are **extremely aesthetic, unique and eye-catching!**
